Come Back Butte Charter (CBBC)

is a no cost public charter school authorized by the Butte County Board of Education and administered by the Butte County Superintendent of Schools through Butte County Office of Education. CBBC is for students who reside in Butte County or adjacent counties and who have not previously experienced success in traditional educational settings. CBBC serves students who are 16 years of age and older who have not completed high school for various reasons which may include: dropping out of high school, involvement in the correctional system, demonstration of at risk behaviors, caring for children and/or family members and/or belonging to migrant family communities.

Why Come Back Butte Charter?

CBBC offers students with educational services to:

- Earn a high school diploma, or prepare for the HiSET
- Develop skills in order to get promoted in an existing job
- Prepare for vocational education or college

Through independent study, students meet with their teachers once a week to discuss their progress as they work at their own pace on-line. The CBBC staff works with each student to set attainable goals and work toward earning a high school diploma, developing skills to prepare for vocational programs, and pursuing higher education.

Who are CBBC students?

A Successful CBBC Student:

- Sets realistic goals and works hard to perseveres to reach them
- Develops a confident, "I can do this!" attitude
- Realizes that making mistakes are an opportunities to learn and grow
- Recognizes the importance of making sacrifices and reassess priorities
- Always looks for ways to improve

“The best way to predict your future is to create it.”
