

**Mental Health Services Act**

Pursuant to Education Code Section 49428 as amended by [AB-2022](#) in September, 2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community. Any pupil and parent or guardian of a pupil may refer a student for mental health services by contacting the school administrative office. A school counselor and/or school psychologist can also provide information about other options to access mental health services within the community. To access mental health services within the community, please contact the Butte County Department of Behavioral Health or other mental health agency on pages 3-5 of the Butte County California Children's Services Resource and Referral Guide located on the school's website.

# Transition Services

## Disability Benefits 101

Many people with disabilities fear that if they go to work, they'll lose needed health care and other disability benefits. DB101 helps people with disabilities and service providers understand the connections between work and benefits. DB101 will help you make informed choices and show you how you can make work part of your plan.

[ca.db101.org](http://ca.db101.org)

## Genetically Handicapped Persons Program (GHPP)

The GHPP is a health care program for adults with certain genetic diseases. It helps people who are on GHPP with their health care needs. It works with doctors, nurses, pharmacists, and other members of the health care team in providing many types of health services.
