GENERAL INFORMATION

Welcome
Welcome to the 2021-2022 school year! All staff extend the sincere hope that the school year will be rewarding and successful. The purpose of this handbook is to acquaint you with the policies, regulations, and procedures of our schools and program.

In keeping with the policies of Butte County Office of Education (BCOE), it will be the purpose of our school to provide an environment that will promote a positive climate for learning, effective citizenship, and constructive student conduct. Students on school grounds or in places within the school's jurisdiction are expected to abide by the rules and regulations that are established to achieve these objectives.

If you have any questions regarding the information contained in this handbook, please feel free to give the school a call at 530.712.2242.

School Mission Statement

Enrollment and Disenrollment

Enrollment
Students seeking enrollment information at Come Back Butte Charter must first visit the Come Back Butte Charter website (www.comeback.bcoe.org) and complete the “Interest Form”. Assigned staff will monitor this regularly and get back with the student to set up an appointment. The youngest aged students we serve at CBBC are aged sixteen. Sixteen-year-olds must obtain the (2) two-page District/Probation Referral form from Come Back Butte Charter and have it completed by their current or last school, or by their probation officer, before enrolling at Come Back Butte Charter.

After completing Student Interest form on CBBC website, student will receive a phone call to discuss enrollment and then an e-mail link to the Aeries on-line enrollment will be sent. After Aeries on-line enrollment has been completed by the student, the Admin Assistant will notify the teacher to call the student to set up enrollment appointment.

For enrollment appointment, student will meet with teacher to discuss school procedures, course enrollment and receive first assignments. The initial enrollment appointment is approximately one (1) hour long. At this appointment, students will meet with their new teacher and go over the rules and expectations of teachers and students. Students will get their photo taken for transcripts and will sign a Master Agreement. Students will also set up an Aeries Parent Portal account and complete their data confirmation.

Returning CBBC students will review their student data in Aeries parent portal (students under 18 will have their parents do this).
Disenrollment
Come Back Butte Charter is a school of choice. Students may choose to transfer to another educational setting at any time.

No Show Disenrollment
The school shall disenroll any student who has failed to attend scheduled meetings or classes without communication after enrollment. Student/parent must contact the teacher at least 3 hours before scheduled appointment if they need to cancel or change.

In the case of a no show/no contact situation, the following will occur:
1) The supervising teacher will attempt to contact the student (18+) or student’s parent/guardian (17 & under) within the first three (3) days of the beginning of enrollment, and document attempted phone contacts in Aeries.
2) The supervising teacher will attempt to contact the student (18+) or the student’s parent/guardian via phone calls to those listed numbers in emergency contacts.
3) If on the fourth day, the student has not attended school, the supervising teacher will send a Failure to Enroll letter to the last known address. The student will be dropped as a “No Show” in Aeries. “No shows” only happen in the first week of the academic school year.

Disenrollment Based on Inadequate Academic Progress
Overview: California Education Code Section 55749.5 (a)(7)(C) requires monitoring, and notification, if satisfactory educational progress is not being made and will conduct an evaluation to determine whether it is in the best interest of the pupil to remain in the course or whether the student should be referred to an alternative program, which may include, but is not limited to, a regular school program.

If a student fails to comply with the attendance policy, which is shared and signed by the student or parent (if student is under 18) and teacher during the first enrollment appointment, or fails to complete one week’s worth of work in any one subject, or its equivalent, in a learning period the following will occur:

1) First Occurrence:
   a. The supervising teacher will attempt to contact the student or the student’s parent/guardian (if student is under 18) at the time of the missed appointment, attempt to reschedule the appointment, and document attempted phone contacts in Aeries.
   b. If the student or the student’s parent/guardian cannot be reached, supervising teacher will attempt to contact those listed on emergency contacts to reschedule the appointment, and document the attempted contact(s) in AERIES.
   c. If unable to reach the student, the student’s parent/guardian (if student is under 18) or any person listed as an emergency contact to reschedule the appointment:

   The teacher will note non-compliance in student Aeries attendance log. According to Butte County Office of Education Superintendent’s Policy (SP 6158), missing appointments with the supervising teacher without valid reasons may trigger an evaluation to determine whether the student should remain in independent study. When a participating student misses three assignments in a period of twenty (20) school days, an evaluation shall be conducted to determine whether it is in the student’s best interest to remain in independent study.
d. The teacher may increase the frequency of the appointment schedule and/or require daily lab attended.

e. The teacher will talk with student, during next appointment, and determine interventions necessary to remove barriers to attending appointments, completing assignments and/or logging onto curriculum. (For example: attending tutoring sessions, bus pass, gas card, mental health support). A Student Study Team may be held with the student, the student’s parent/guardian (if student is under 18), the supervising teacher and other appropriate staff to determine supports needed.

f. The teacher will send home a Missed Appointment letter, which states the day and time of missed appointment and gives the day and time of a rescheduled appointment that the student MUST attend or send home a Not Logging On letter, which states that the student has not been logging onto the on-line curriculum platform (Edgenuity) and not completing assignments outlined in weekly Learning Plan.

g. The teacher will contact the Resource Teacher, if student has an active IEP.

h. No attendance will be given for missed work days.

2) Second Occurrence, within the same semester:

   a. Student is now truant; the teacher will make attempt to contact student and reschedule appointment.

   b. The teacher and principal will evaluate student progress through Aeries attendance conference log.

   c. A Student Study Team will be held with the student, the student’s parent/guardian (if the student is under 18), the supervising teacher and other appropriate staff to determine supports needed.

   d. The teacher will note non-compliance in student Aeries attendance log.

3) Third Occurrence

   a. The supervising teacher will implement all supports all designated in the First Occurrence.

   b. The principal will send a letter giving five (5) days’ notice to the student, or the student’s parent/guardian (if student is under 18) indicating that the student will be disenrolled. This letter includes a notification of enrollment termination and Charter School Complaint Notice. (EC) Section 47605(d)(4) and (b)(5)(J)(iii)

   c. The student will be withdrawn from the school and the district of residence will be notified unless the student, or the student’s parent/guardian (if student is under 18) requests an appeal within five (5) working days of the date of notification.

   d. A special meeting with the principal, supervising teacher, parent and student may be necessary when a parent requests an appeal.

   e. If the parent fails to respond by the predetermined disenrollment date, the student will be withdrawn. The student’s exit date will be the last date the student received attendance at school.

Students Inadequate Progress Policy for Student with an IEP:

   1) Missed Appointment Letters are issued to all students in order to alert the student and the parent of the following:

      a. The student has excessive missed assignments, missed meetings or appointments, and/or lack of proper communication to be in our program which follows Independent Study regulations.

      b. The personalized learning setting may not be appropriate.

      c. The personalized learning system of education may be contrary to the best interest of the student.
2) Students who have qualified for Special Education services often meet with other certificated professionals in addition to their teacher. All certificated personnel who work with a student must alert the teacher when assignments are not completed so that the teacher can issue the Truancy Letter to the student.
   a. The teacher must issue a Missed Appointment Letter for a student with an IEP according to the procedures for all students.
   b. All certificated personnel who work with a student with an IEP must report truancy violations so that the supervising teacher can issue a Missed Appointment Letter according to the procedures for all students.
   c. After Missed Appointment Letter #2, the principal/designee must be contacted and an IEP scheduled.

3) A Manifestation of Determination IEP will occur before notification of enrollment termination.

After disenrollment, the student/parent can contact the principal for a re-enrollment appointment. It is the goal of Come Back Butte Charter to assist all students to complete their high school diploma or receive a HiSET certificate. Every student will have the opportunity to discuss re-enrollment options.

Handbook Accessibility (print and web)
Available on the website (comeback.bcoe.org and a paper copy is available at the front office, upon request.

BEHAVIOR

School Rules and Discipline

1) Students are expected to take care of business (TCB)
2) In all instances, students will act so as not to infringe upon the rights of others or to endanger their own or another's private property or person
3) Physical violence or threat of physical violence will not be tolerated on campus or on route to and from campus.
4) Students will be considerate in their relationships with students, teachers, and staff
5) Students will keep their language, clothing, and gestures respectful and free of profanities and obscenities
6) Students will follow all rules and procedures in the Handbook
7) Students will keep hands, feet, and objects to themselves including roughhousing and "playing around"
8) Students will follow classroom procedures established by each teacher
9) Students will interact appropriately including avoiding excessive displays of affection
10) Students will use kind words
11) Students will allow others to learn
12) Students will follow staff directions
13) Students will respect appropriate boundaries
14) Students will refrain from bullying
15) Students will respect personal and school property
16) Students will keep self and others physically safe
17) Students will not possess, make or draw pictures of weapons, drugs, or drug paraphernalia
18) Students will not possess and/or use illegal drugs, including nicotine, and/or alcohol
The school will notify your student’s teacher(s), in confidence, if your student has caused, or attempted to cause, serious bodily injury to another person or has engaged in other behaviors that constitute grounds for suspension or expulsion. The information provided to the teacher(s) will be based on any written records that the school maintains or receives from a law enforcement agency regarding your student. (Ed. Code § 49079(a)).

**Conduct Code Procedures**

At the beginning of the school year, the principal or designee shall notify students and parents/guardians, in writing, regarding school rules related to discipline including the school’s progressive discipline policy. Transfer students and their parents/guardians shall receive such notice upon enrollment. The discipline should be directed toward eliciting desired behavioral changes. When disciplining a student, staff will complete the designated discipline form and present it to the appropriate student’s unit. If a student must be removed from the school and a discipline form cannot be filled out and submitted immediately, staff should verbally notify the unit of the incident and discipline take.

Acceptable discipline techniques include, but are not limited to:

1. Use of positive behavior supports
2. Warnings and reduction of inappropriate behaviors to appropriate on task behaviors
3. Teacher-Parent-Student conference
4. Social emotional learning instruction
5. Instruction in pro-social behavior or anger management
6. Use of restorative practices
7. Referral to counseling
8. Convening a Student Study Team

**Student Expectations**

Each student at Come Back Butte Charter is expected to:

1. Meet with their teacher in person once per week. If a student is unable to attend this weekly meeting, they are expected to call before the missed appointment and reschedule their appointment
2. Arrive at meetings and classes prepared, on time and ready to learn
3. Complete (2) two hours of online work per course
4. Complete and turn in school work on time
5. Communicate about learning and ask for help when needed
6. Share notices and information received from the school with their family if they are under 18
7. Stay current on school activities and events which will be posted on our website, flyers at the school as well as announced in teacher/student meetings

**Dress and Grooming**

As an independent study school, we recognize that most student learning takes place in the home. As such, Come Back Butte Charter does not regulate student dress in the home. Although, when at a school event clothing, jewelry, and personal items (backpacks, fanny packs, gym bags, water bottles, hats, etc.) shall be free of writing, pictures, or any other insignia which are crude, vulgar, profane, or sexually suggestive, which bear
drug, alcohol, or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic, religious prejudice, or gang related activities.

The County Superintendent holds high expectations for students and believes they will present themselves in an orderly manner conducive to the advancement of education. Their appearance is expected to be neat and acceptable to the general society and in keeping with the activity at the particular program. - SP 5132

Students can wear sun protective clothing, including hats, when outside during the school day. Students may also apply sunscreen during the day without a doctor’s note or prescription. School districts may develop policies related to sun protective clothing and the use of sunscreen during the school day. (Ed. Code § 35183.5)

Care of School Materials and Repayment

Because we are an online school we require each student sign and adhere to the BCOE Acceptable Use Agreement.

Misuse of Materials and Technology

Any violation of school policy or rules may result in loss of school-provided access to technology. Additional disciplinary action may be determined in keeping with existing school policies and procedures. When and where applicable, law enforcement agencies may be involved. SP 5125.2

The Butte County Office of Education shall withhold grades, diploma or transcripts from any student when school property has been willfully damaged or not returned upon demand. The Principal or designee shall inform the parent/guardian in writing of the responsible student’s alleged misconduct and the reparation that may be due.

If reparation is not made, the Butte County Office of Education shall afford the student his/her due process rights in conformance with Education Code.

When a student from whom the Butte County Office of Education is withholding grades, diploma or transcripts transfers to a district, this information shall be sent to the new district with the student’s records and a request that these items continue to be withheld until the new district receives notification that the debt has been cleared.

The County Superintendent or designee shall notify the parent/guardian in writing that the Butte County Office of Education’s decision to withhold grades, diploma or transcript will be enforced by the new district.

The Butte County Office of Education shall withhold grades, diploma or transcripts from any student transferring into the Butte County Office of Education whose misconduct caused a previous district to withhold them. When informed by the previous district that its decision has been rescinded, the Butte County Office of Education shall release these documents.

Student Cell Phones and Personal Items

Any electronic device that disrupts learning is prohibited on the CBBC campus. The use of cellular phones and similar devices are specifically prohibited during program hours unless specifically asked by the instructor to use for instructional purposes. Staff may require a student stop using their device if it is interfering with the learning process or if it is disrupting others. No taping or recording classes is permitted without instructor approval. This policy includes, but is not limited to, the following devices: radios, tape players, CD players, video recorders, iPods, MP3 players, games, pagers, laser pointers and cellular phones.
Sexual Harassment

The County Superintendent is committed to maintaining an educational environment that is free from harassment. The County Superintendent prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. The County Superintendent also prohibits retaliatory behavior or action against persons who complain, testify, assist or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation.

Instruction/Information

The County Superintendent or designee shall ensure that all students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

1) What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same gender;
2) A clear message that students do not have to endure sexual harassment;
3) Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained;
4) Information about the person(s) to whom a report of sexual harassment should be made.

Complaint Process

Any student who feels that he/she is being or has been subjected to sexual harassment shall immediately contact his/her teacher or any other employee. A school employee to whom a complaint is made shall, within 24 hours of receiving the complaint, report it to the principal or designee.

Any school employee who observes any incident of sexual harassment involving a student shall report this observation to the principal or designee, whether or not the victim files a complaint.

In any case of sexual harassment involving the principal or any other employee to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall report to the non-discrimination coordinator or the Associate Superintendent.

The principal or designee to whom a complaint of sexual harassment is reported shall immediately investigate the complaint in accordance with administrative regulation. Where the principal or designee finds that sexual harassment occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim. The principal or designee shall also advise the victim of any other remedies that may be available. The principal or designee shall file a report with the County Superintendent or designee and refer the matter to law enforcement authorities, where required.

Disciplinary Measures

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action, and the entire circumstances of the incident(s) shall be taken into account.

The sexual harassment policy shall be displayed in a prominent location near the school bathroom and included in the student handbook (Title 5 CA CCR 4622, Ed Code § 231.5).
Local agencies are required to notify students, employees, and parents of their written policy prohibiting sexual harassment pursuant to Education Code sections 231.5, 48980(g), 48985. These policies shall include information as to where to obtain specific procedures for reporting charges of sexual harassment and available remedies.

**Student Conduct**

The County Superintendent believes that all students have the right to a public education in a positive environment, free from disruptions which interfere with teaching and learning activities. In order to promote an atmosphere conducive to learning, it is imperative that the Butte County Office of Education, parents, students, teachers and the administration be cognizant of their responsibilities related to student conduct.

The County Superintendent or designee is responsible for prescribing rules for the behavior and discipline of the schools under its jurisdiction. The County Superintendent holds the certificated personnel responsible for the proper conduct and control of students under their charge within the behavioral guidelines. The Butte County Office of Education shall provide reasonable support to certificated personnel with respect to student conduct and discipline.

**Suspension**

The following items are illegal to possess on school campus and could result in suspension:

1. Firearms, knives of any kind (including pocket knives), or anything that could be used as a weapon.
2. Alcohol, tobacco, or drugs of any kind (prescription medicine, as well as over-the-counter medication, must be stored in the Office). (ED Code 48900 c,h,j)
3. Matches, lighters, firecrackers, or other explosives.
4. Other disruptive, illegal, or dangerous objects.

The following are not to be possessed on campus:

- Squirt guns or toy guns, aerosol cans, large sums of money, valuables of any kind, unsafe or disruptive apparel, depicting gangs, gambling, alcohol, drugs or are sexually explicit.

**ACADEMICS**

**Academic Policies**

**Report Card / IEP Goals Mastery Updates**

Report Cards shall provide students and/or parent/guardian with tangible evidence of a student’s academic performance. Parent/guardian of special education students shall be provided an IEP Goals Progress Report the same frequency as general education students.

**Regulations Regarding Grades/Evaluation of Student Achievement AR 5121**

When a student finishes a grading period doing high quality work, which requires skills acquired throughout the grading period, low grades at the beginning of the grading period need not diminish the appropriate
evaluation of the student’s achievement. Similarly, high grades at the beginning need not compensate for a downward trend in achievement.

If a student misses class without an excuse and does not subsequently turn in homework, take a test or fulfill another class requirement, which he/she missed, the teacher may lower the student’s grade for nonperformance. Students with excessive unexcused absences (6 absences per semester) may be given a failing grade and not receive credit for the course.

With the approval of the Principal or designee, a student may repeat a course in order to raise his/her grade. The student shall receive credit once for taking the course.

**Pass/Fail Grading**
With parental approval, students may elect to earn a “Pass” or “Fail” grade instead of an A-F grade in the following courses:

1) All courses taken in the Alternative Education Program;
2) All courses taken in the Special Education Program;
3) 9-12th grade non-college preparatory courses taken in summer school.

Students who receive a “Pass” grade will acquire the appropriate semester units of credit for the course, and the grade will not be counted in determining class rank or honors. Students who receive a “Fail” grade will not receive credit for taking the course. Students shall be graded Pass/Fail for classes in which they serve as student aides unless predetermined goals and objectives related to specific subject knowledge are on file and have been approved by the Principal or designee.

**Students with Disabilities and/or Section 504 Plan**
Eligible students with disabilities shall have annual reviews of student achievement in accordance with federal and state laws. The Associate Superintendent shall establish and evaluate the program progress and grading systems. The Associate Superintendent shall ensure that student grades and progress reports conform to this system. Students with disabilities may not be denied participation in school programs and activities solely on the basis of disability.

The County Superintendent and/or designee shall ensure that the Section 504 regulations are met by adhering to the following: annually attempt to identify and locate all students with disabilities; provide a free and appropriate public education; ensure that students with disabilities are educated with non-disabled students to the maximum extent appropriate; establish nondiscriminatory evaluation and placement procedures; establish procedural safeguards; ensure students with disabilities the equal opportunity to participate in non-academic and extracurricular services and activities.

**Challenging Courses by Examination – SP6155**
The County Superintendent recognizes that there is a need to allow high school students to challenge a given course by examination for grade and credit in order to accelerate progress towards graduation and to achieve more flexibility in the selection of electives. This opportunity will permit a student to enroll in courses best suited to his/her educational objectives.
The examination shall be comprehensive and cover all course objectives. Successful completion of the examination shall be at a level which indicates mastery of the content and/or reasonable chance for success in the next higher course.

**Academic Integrity**

In order to achieve the goal of academic integrity, Come Back Butte Charter has established clear guidelines and consequences.

Having academic integrity means valuing and demonstrating positive regard for:

- Intellectual honesty
- Personal truthfulness
- Learning for its own sake
- The creations and opinions of others (i.e., intellectual property)

All members of the school community have responsibilities relating to academic integrity detailed in the table below:

### Parental Responsibilities
- Communicate to the student values of moral and ethical behavior
- Support the student’s efforts, but do not edit, type, or in any other way do their work
- Encourage good management of time
- Encourage the highest standards of academic behavior from the students and their peers
- Certify agreement and acknowledge of policy when registering students for school yearly

### Teacher Responsibilities
- Be precise about expectations for students by clearly stating the Academic Integrity Policy, orally and in writing
- Review the Academic Integrity Policy with students and communicate the range of consequences for Academic Integrity violations to the students
- Address the use of study aids in course work
- Clearly specify when collaboration with other students is permitted on an assignment
- Review student work regularly for violations of the Academic Integrity Policy
- Report violations of the Academic Integrity Policy regarding your own class assignments to an administrator for a determination of next steps. Teacher discretion may be used.
- Review the policy at the opening of orientation and parent-teacher meetings
- Report violations of the Academic Integrity Policy regarding another teacher’s class assignments to that teacher (i.e., when an English teacher observes students copying math homework in English class, the English teacher should report that to the math teacher)
- Protect passwords and gradebook access
- Do not allow anyone else access to passwords, Aeries gradebooks, or other confidential material
**Administrator/Principal Responsibilities**

- Include the Academic Integrity Policy in the Student Handbook
- Support teachers in administering discipline and upholding the CBBC and BCOE Academic Integrity Policy
- Train new teachers in how to apply the Academic Integrity Policy
- Record incidents / follow-up action in Aeries; inform teachers about outcome of referrals
- Facilitate conferences and counsel students in each case of academic dishonesty
- Collaborate with teachers to maintain a secure digital and physical environment
- Review and resolve appeals

---

**Consequences for Violations**

Come Back Butte Charter considers violations of its Academic Integrity Policy to be serious offenses and has therefore instituted the following consequences. The consequences apply on a schoolwide basis, i.e., a violation in one class follows a student to another class or subject matter within CBBC and are cumulative for all the years a student is enrolled at Come Back Butte Charter.

**Violations and Consequences**

**Category A Violations** include, but are not limited to:

- Claiming credit for work in a group project when work was done by others.
- Copying any minor assignment, such as a one-night homework assignment (not including quizzes, tests, or essays) assigned to be done independently. If it is not clear which student did the original work, and which student copied the work, both are guilty of a Category A violation.
- Collaboration on a minor assignment in a manner inconsistent with explicit and implicit expectations of the assignment for individual work.
- Sharing work on a minor assignment with another student with the reasonable expectation and intention that the other student might plagiarize that work.

**Category A Consequences** include:

- Student receives a zero on the assignment.
- Teacher notifies parent (students under 18) via email, phone call, or at a teacher-parent meeting.
- Teacher notifies principal.
- Teacher or principal logs offense in Aeries and meets with the student to review the Academic Integrity Policy.
- Teacher may require the student to redo the assignment and teacher can award partial credit.

**Category B Violations** include, but are not limited to:
• Any violation on a major assignment (such as tests, quizzes, labs, projects, essays, assignments requiring multiple days to complete, etc.) that is inconsistent with the descriptions set forth in the Category A violations above.

• Submitting plagiarized work, (other than copying a minor assignment as defined in Category A). In the case of work plagiarized between students, if it is not clear which student did the original work, and which student plagiarized the work, both students are guilty of a Category B violation.

• Looking at another student’s work or paper during an exam, test, or quiz.

• Talking to or communicating with another student during an exam, test, or quiz.

• Using any unauthorized material or device during an exam, test, or quiz.

• Giving or receiving quiz or test information, in any form, to or from students in other periods of the same course or from previous school years.

• Lying or deception about completion or submission of work (i.e. telling a teacher they “lost” work never turned in).

Core and Elective Courses

English (Grade 9)
This course nurtures students’ understanding and appreciation of literature through the emphasis on reading, analysis and interpretation. Students will read excerpts covering several genres: the short story, non-fiction, poetry, dramatic literature, and the epic. Students practice effective communication skills through discussions and presentations. Students will gain skills necessary for competent writing and reading by focusing on the mechanics of language, vocabulary development and directed reading and writing. They will complete a variety of writing activities, including narrative, expository, persuasive, informational, and descriptive writing that demonstrates research, organization, and drafting strategies.

English (Grade 10)
This course nurtures students’ understanding and appreciation of literature through the emphasis on reading, analysis and interpretation. Students will read excerpts covering several genres: the short story, non-fiction, poetry, dramatic literature, and the epic. Students practice effective communication skills through discussions and presentations. Students will gain skills necessary for competent writing and reading by focusing on the mechanics of language, vocabulary development and directed reading and writing. They will complete a variety of writing activities, including narrative, expository, persuasive, informational, and descriptive writing that demonstrates research, organization, and drafting strategies.

English (Grade 11)
This is a core English class for students taking their third year of English in high school. This is an American Literature Course focusing on authors with American backgrounds or authors writing about their perception of America. This course is standards aligned and includes skill development in writing, reading, and language. This course uses contemporary as well as classical writings to understand colloquial language, reasoning and thought.

English (Grade 12)
This is a core English class for students taking their fourth year of English in high school. This is an American Literature Course focusing on authors with American backgrounds or authors writing about their perception of America. This course is standards aligned and includes skill development in writing, reading, and language. This course uses contemporary as well as classical writings to understand colloquial language, reasoning and thought.
Math Foundation
This math course focuses on algebraic and numerical skills in a context of applications and problem solving to prepare for success in future math courses.

Business Math
Math with Business Applications is a comprehensive course that covers all the skills students need to manage their personal finances and excel at their first job and in everyday life. The course is presented in three-parts that takes students from basic math concepts to sophisticated financial strategies. Part one, Basic Math Skills reviews fundamental math operations, Part two, Personal Finance teaches money management skills, and Ppart three, Business Math provides a thorough primer on higher level math applications as they are applied to launching and running a business. California State Standards in Algebra 1 are embedded throughout the course.

Math Readiness
This course emphasizes the understanding of mathematics concepts rather than just memorizing procedures.

Algebra 1
Algebra 1 is a yearlong comprehensive Algebra course which covers all California State Standards for Algebra with special attention focused on frequently recurring standards found in the California Common Core State Standards. Instructors use a variety of instructional methodologies to introduce and reinforce Algebra concepts including vocabulary review and clarification, warm up exercises, and student practice exercises.

Geometry
Geometry is a yearlong comprehensive course which covers all 22 California State Standards for Geometry with special attention focused on concepts and standards addressed in the California Common Core State Standards. Instructors use a variety of instructional methodologies to introduce, teach, and reinforce geometry concepts, including, but not limited to, direct instruction, cooperative learning and exploration, guided discovery, vocabulary development, and use of technology.

Integrated Math I
Integrated Math I is the first of three mathematics courses required for college entrance. The course content includes: functions; algebra; geometry; statistics; probability; discrete mathematics; measurement; number; logic; and language. The course emphasizes mathematical reasoning, problem solving, and communication through the integration of the various strands, connections with other subject areas and real-life applications, use of technology, and exploratory and group activities. The course emphasizes algebra.

Integrated Math II
Integrated Math II is the second of three mathematics courses required for college entrance. The course content expands upon the mathematical content and techniques of Integrated Mathematics Course I. In addition to further development of the strands with connections and applications, this course emphasizes unifying ideas such as mathematical modeling and argumentation, variation, algorithmic thinking, and multiple representations. The course emphasizes geometry.

Integrated Math III
Integrated Math III is the final course in the three-course Integrated Math series. With this course, students further explore quadratic functions and extend learning to polynomial functions. Students extend their understanding of arithmetic and geometric sequences to series, and their knowledge of trigonometric ratios to trigonometric functions. Additionally, students explore distributions of data, confidence intervals, and statistical significance.
PE 1
This general physical education course develops skills through some of the following activities: team, individual, dual, recreational sports, or fitness and conditioning activities.

PE 2
This general physical education course develops skills through some of the following activities: team, individual, dual, recreational sports, or fitness and conditioning activities.

Health
Students enrolled in Health will be exposed to many aspects necessary to lead a healthy life. Students will: (1) understand how to enhance and maintain their health and well-being; (2) understand behaviors that prevent disease and speed illness recovery; (3) understand behaviors to reduce risk of becoming involved in potentially dangerous situations; (4) understand how to take a positive, active role in promoting the health of their families; (5) understand how to promote positive health practices within the school and community including how to cultivate positive relationships with their peers; (6) understand the variety of physical, mental, emotional and social changes that occur throughout life; (7) understand and accept individual differences in growth and development; (8) understand their developing sexuality and (9) identify information and products and services that may be helpful or harmful to their health.

Biology
This compelling two-semester course engages students in the study of life and living organisms and examines biology and biochemistry in the real world. This yearlong course encompasses traditional concepts in biology and encourages exploration of new discoveries in this field of science. The components include biochemistry, cell biology, cell processes, heredity and reproduction, the evolution of life, taxonomy, human body systems, and ecology

Physical Science
This course covers the structure and state of matter. Topics may include forms of energy, wave phenomenon, electromagnetism, and physical/chemical interactions.

Earth Science
Earth Science is a yearlong course that addresses the California State Standards for grades 9-12. Instructors use a variety of instructional methodologies to introduce, teach, and reinforce earth science concepts, including, but not limited to, direct instruction, cooperative learning and exploration, guided discovery, vocabulary development, hands on labs, and use of technology.

Life Science
Life Science is a yearlong course that addresses the California State Standards for grades 9-12. Instructors use a variety of instructional methodologies to introduce, teach, and reinforce life science concepts, including, but not limited to, direct instruction, cooperative learning and exploration, guided discovery, vocabulary development, hands on labs and use of technology.

Economics
The course structure presents a comprehensive coverage of basic, economic concepts. It is designed thematically to cover macroeconomic principles and systems and the many current and relevant microeconomic issues. Students will analyze, interpret and practice with a variety of economic principles throughout the course. This
course allows students to understand the California standards using a variety of activities and resources. It is directly aligned with the California Standards Framework.

**Government and Civics**
This semester long course covering the principles and origins of American Government with concentration on all three branches of government, state, and local governments and differences on other types of governments. The course is based on California State Standards and incorporates various activities and instruction to various student learning styles and abilities.

**US History**
This course starts with the events that bring forth the enlightened ideals that become the U.S. Constitution and the story of the people who were born and journeyed to live under this evolving contract. It further reviews the tests on the federal government during the expansion of the country and The Civil War. It reviews the actions toward the Native peoples and Immigrants, and the results of industrialization and isolationism. The course continues through two world wars and The Great Depression. It tracks the serious nature of the nuclear age and the cold war, and moves through the current technological revolution and all realities that it created.

**World History**
The instructional structure presents a clear and comprehensive coverage of world history. The course is designed to cover important events that have shaped the modern world, from the late 1700s to the present. It encourages active reading and learning for students of all reading levels. It allows students the chance to grasp the California standards using a variety of activities and resources. It provides understanding and the opportunity for interpretation of all views of important events in history. It is directly aligned with the California standards framework.

**Art History**
Visual Art is a survey course which emphasizes the development of artistic perceptual skills, visual arts vocabulary, creative expression and communication through original works of art. The historical/cultural role and development of visual arts is also presented. This course presents an integrated, chronological approach to the study of art, Art in Focus demonstrates the interrelationships of aesthetics, art criticism, art history, and studio art.

**Drawing**
This course provides a foundation in drawing using a variety of media and techniques in both black and white and color. The course emphasizes observation and interpretation of the visual environment, life drawing, and drawing from the imagination. Included are the application of the elements and principles of design, a study of historical and contemporary art and artists from a worldwide perspective, and instruction and practice in the critique process.

**Fundamental Art**
Visual Art is a survey course which emphasizes the development of artistic perceptual skills, visual arts vocabulary, creative expression and communication through original works of art. The historical/cultural role and development of visual arts is also presented. Visual Art integrates lessons in Perception, Creative Expression, Historical and Cultural Heritage, and Evaluation to form a comprehensive approach to art that helps every student - regardless of their learning style - think more creatively, make better decisions, even learn the art of self-discipline.
ELECTIVE COURSES

Elective PE
Health Ed 2
Life Skills

Psychology
This course focuses on the scientific study of human development, learning, motivation, and personality. Students explore implications for everyday life with a scientific perspective on human behavior.

Career Ed Tech

Digital Art
Digital Art focuses on building a solid foundation of the elements of art and design: line, shape, form, color, value, space, and texture. Topics include learning processes for evaluating artworks and identifying selected artists’ works, styles, and historical periods. Students learn 3D space in a 2D environment; filters, gradients, and highlights; and methods of working with color. By the end of this course, students will have created a unique portfolio of digital artwork, including repeating images to be used as a computer’s desktop background, a logo with text, two images scaled proportionally to one another, and a poster image and layout. Students advance their skills using Inkscape, a free open-source alternative to Adobe® Illustrator®, and also learn new tools such as the Spiral, Bezier, and Paint Bucket Tools.

Study Skills
This test preparation course effectively prepares students for all sections of the High School Equivalency Test, or HiSET. Course content is broken into strands, allowing students to focus on each subject extensively before moving onto the next area of study. A diagnostic assessment at the beginning of each strand is used to target areas of opportunity. Students are prescribed individualized paths of study and provided instructional content for review including video-based instruction by highly-qualified teachers, interactive assignments, and regular assessment opportunities to track progress. A post-test at the end of each strand ensures that students master the content.

Homework, Make-up Work, Extra Credit

Homework – AR 6154
CBBC is a non-classroom based online Independent Study program. All classwork can be completed from home and/or students may access the learning lab during school hours to complete coursework. Missed assignments must be made up by the next scheduled appointment. Extra credit may be earned by students at any time that their assigned work for the week is completed. Students can work ahead at their own pace to earn additional credits.

Make-Up Work
The student is responsible for picking up all assignments missed from any excused time away from school. The teacher will determine the timeline for completion of make-up work and for full and/or partial credit.

Extra Credit
Extra credit work will be available to all students. The teacher will determine the timeline for completion of extra credit work and effect of extra credit work on performance.

High School/Graduation Requirements – Curriculum used at CBBC meets all state standards. Subjects taught include English, Life Skills, World History, United States History, Economics, Civics, Fine Arts, Physical Education, Integrated Math (Algebra), Life Science and Physical Science. Students must earn a total of 180 credits to earn a high school diploma. Students who transfer to CBBC with 180 or more credits must earn a minimum of 10 credits at CBBC in order to receive a high school diploma. High school students in grades 9-12 receive credits for courses passed, and credits are transferable to other high schools.

State and Local Assessments
California students take several mandated statewide tests. These tests provide parents/guardians, teachers, and educators with information about how well students are learning and becoming college and career ready. The test results may be used for local, state, and federal accountability purposes.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their student from any or all of the CAASPP assessments.

The California Assessment of Student Performance and Progress (CAASPP) tests consist of the following:

Smarter Balanced Assessment Consortium Assessments
The Smarter Balanced computer adaptive assessments are aligned with the California State Standards. English language arts/literacy (ELA) and mathematics tests are administered in grades three through eight and grade eleven to measure whether students are on track to college and career readiness. In grade eleven, results from the ELA and mathematics assessments can be used as an indicator of college readiness.

California Science Tests (CAST)
The computer-based CAST measures students’ achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve).

California Alternate Assessments (CAAs)
Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors.

Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS. Students taking the CAA for Science will take three embedded performance tasks.

English Language Proficiency Assessments for California (ELPAC)
The English Language Proficiency Assessments for California (ELPAC) is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English. State and federal law require that local educational agencies administer a state test of ELP to eligible students in kindergarten through grade twelve. The California Department of Education (CDE) transitioned from the California English Language Development Test (CELDT) to the ELPAC as the state ELP assessment in 2018. The ELPAC is aligned with the 2012 California English Language Development Standards. It consists of two
separate ELP assessments: one for the initial identification of students as English learners (ELs), and a second for the annual summative assessment to measure a student’s progress in learning English and to identify the student’s level of ELP.

Physical Fitness Test
The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test. The test has six parts that show a level of fitness that offer a degree of defense against diseases that come from inactivity.

Grades and Repeating Classes

Grading
Grades are one of the assessment tools used to report to parents/guardians the student’s progress in all subject areas. Grades are based on standards of performance designated for each grade level. Grades are based on points earned for daily assignments, quizzes, projects and tests. Grades will reflect the following percentages of points:

- 95% to 100% = A
- 90% to 94% = A-
- 87% to 89% = B+
- 83% to 86% = B
- 80% to 82% = B-
- 77% to 79% = C+
- 73% to 76% = C
- 70% to 72% = C-
- 67% to 69% = D+
- 63% to 66% = D
- 60% to 62% = D-
- Below 60% = F

Repeated Classes
With the approval of the Principal or designee, a student may repeat a course in order to raise his/her grade. The student shall receive credit only for taking the course once.

STUDENT HEALTH AND SUPPORTS

Guidance and Counseling Programs
The principal and staff support students when setting up an Individualized Learning Plan (ILP). Post-graduation guidance is provided by the CBBC Transition Specialist.

Medical and Medication

Administration
You may request assistance in administering medication to the student during school hours. Such assistance requires your written authorization and that of a physician, surgeon or physician assistant detailing the method, amount, and time schedules for taking the medication. (Ed. Code §§ 49423 and 48980 and 5CCR §§600-611.)
Continuing Medication Regimen
Parents/guardians have the obligation to notify appropriate school personnel (e.g., school nurse or designated employee) of the student's continuing medication regimen for a non-episodic condition. With parental consent, the school nurse may communicate with the student's physician and may counsel school personnel regarding the possible effects of the drug on the student's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose. (Ed. Code § 49480.)

Auto-Injectable Epinephrine / Inhaled Asthma Medication
You may provide a written statement to the school district allowing your student to carry and self-administer auto-injectable epinephrine and/or inhaled asthma medication. A physician or surgeon's statement confirming that your student is able to self-administer the medication and detailing the name of the medication, the method, amount and time schedules for administration must also accompany the request. In the case of auto-injectable epinephrine, a physician assistant may also provide this written statement. The parent, foster-parent or guardian must also: (1) consent in writing to the self-administration; (2) provide a release for the school nurse or other designated school personnel allowing them to consult with the student's physician; and (3) agree to release the district and school personnel from civil liability in the event of an adverse reaction to the medication. These written statements must be provided to the school at least annually or more frequently if the medication, dosage, frequency of, or reason for, the administration changes. Students may be subject to disciplinary action pursuant to Education Code section 48900 for using auto-injectable epinephrine or inhaled asthma medication in a non-prescribed manner. (Ed. Code §§ 48980, 49414, 49423, 49423.1.)

Anti-Seizure Medication
Parents of a student with epilepsy who has been prescribed an emergency anti-seizure medication may request that their student's school have one or more of its employees receive voluntary training in the administration of the medication in the event that the student suffers a seizure when a nurse is not available. Upon receipt of the parent's request, the school district must notify the parent that their student may qualify for an individualized education program or a Section 504 plan. (Ed. Code § 49423.)

Confidential Medical Services
School authorities will notify students in grades 9 to 12 that they may be excused from school for the purpose of obtaining confidential medical services without your consent. (Ed. Code § 46010.1.)

Comprehensive Sexual Health & HIV/AIDS Instruction
Each year, schools are required to offer a course of study on Sexual Health at least once in high school grades 9-12. Sexual Health Education instruction content must meet the requirements of Education Code section 51933.

Parents/guardians have the right to be informed, in writing, of comprehensive sexual health education and HIV prevention education and research on student health behaviors planned for the coming year. The written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education are available for inspection.

Parents/guardians have a right to request copies of Education Code sections 51930-51939. Comprehensive sexual health education and HIV prevention education may be taught by school district/COE personnel or by outside consultants. The district may provide comprehensive sexual health education and HIV prevention education, to be taught by outside consultants, and may hold an assembly to deliver comprehensive sexual
health education or HIV prevention education by guest speakers. The use of outside consultants or guest speakers is within the discretion of the school district.

Parents/guardians have a right to request in writing that your student be excused from all or part of any comprehensive sexual health education, HIV prevention education or assessments related to that education. If a school receives a written request from the parent or guardian excusing a student from this instruction, the student may not be subject to disciplinary action, academic penalty or other sanction and an alternative educational activity must be made available to the student. This notice does not apply to human reproductive organs which may appear in physiology, biology, zoology, general science, personal hygiene, or health textbooks, adopted pursuant to law. [Note: if arrangements for this instruction are made after the beginning of the school year, notice shall be made by mail or another commonly used method of notification, no fewer than 14 days before the instruction.] (Ed. Code §§ 51930-51939 and 48980.)

Suicide Prevention

School sites shall make information available to students, parents and caregivers about:

1) The prevalence of suicide and suicide attempts among youth
2) The risk factors, warning signs of suicide and protective factors
3) How to respond when they recognize their student or another youth is at risk
4) Where to turn for help in the community

Come Back Butte Charter communicates community support on the school website and in the Appendix of this handbook.

Food Services

In alignment with charter law, Come Back Butte Charter does not provide food services as students are not required to be on campus for 2 or more hours at a time. However, should a student be required by a member of Come Back Butte Charter staff to stay on campus for more than 2 hours, a meal shall be provided to the student.

SAFETY

Data and Student Privacy

The County Superintendent respects the rights of students and their parents/guardians with regard to the privacy of their personal beliefs and the confidentiality of their personal information. The County Superintendent or designee may collect, disclose, or use students' personal information for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students or educational institutions, such as the following:

1) College or other postsecondary education recruitment or military recruitment
2) Book clubs, magazines, and programs providing access to low-cost literary products
3) Curriculum and instructional materials used by elementary and secondary schools
4) Tests and assessments to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information about students [or to generate other statistically useful data for the purpose of securing
such tests and assessments] and the subsequent analysis and public release of the aggregate data from such tests and assessments
5) The sale by students of products or services to raise funds for school-related or education-related activities
6) Student recognition programs

The County Superintendent or designee is prohibited from collecting, disclosing, or using a student’s individually identifiable information, including their name, parent/guardian’s name, home or other physical address, telephone number, or social security number, for the purpose of marketing or selling that information or providing the information to others for that purpose. The County Superintendent or designee shall consult with adult students or parents/guardians regarding the development of regulations pertaining to other uses of personal information, which shall, at a minimum, address the following:

1) Arrangements for protecting student privacy when collecting, disclosing, or using students’ individually identifiable information for any purpose
2) Arrangements to protect student privacy in the administration of surveys that may request information about the personal beliefs and practices of students and their families
3) The rights of adult students or parents/guardians to inspect the following, and any applicable procedures for granting reasonable access to the following in a reasonable period of time:
   a. Survey instruments requesting information about their personal beliefs and practices or those of their students
   b. Instructional materials used as part of their student’s educational curriculum
   c. Instruments used in the collection of personal information for the purpose of marketing or sale
4) Any non-emergency physical examinations or screenings that the school may administer

The County Superintendent or designee shall notify adult students or parents/guardians of the adoption or continued use of Butte County Office of Education’s Superintendent’s Policy and Administrative Regulations pertaining to the rights specified in items #1-4 above.

Surveys Requesting Information about Beliefs and Practices: A student’s parent/guardian, or a student who is an adult or emancipated minor, shall provide prior written consent before the student is required to participate in a survey inquiring about one or more of the following:

1) Political affiliations or beliefs of the student or his/her parent/guardian
2) Mental or psychological problems of the student or his/her family
3) Sexual behavior or attitudes or personal beliefs and practices in family life or morality
4) Illegal, anti-social, self-incriminating, or demeaning behavior
5) Critical appraisals of other individuals with whom the student has close family relationships
6) Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, or ministers
7) Religious practices, affiliations, or beliefs of the student or his/her parent/guardian
8) Income, except to the extent that income is required to be disclosed by law for participation in a program or for receiving financial assistance under such a program

If a student participates in such a survey requesting information about personal beliefs and practices, school officials and staff members shall not request or disclose the student’s identity. Notwithstanding the above
requirements for prior written consent, the district may administer to students in grades 9-12 anonymous, voluntary, and confidential research and evaluation tools to measure student health risks and behaviors, including tests and surveys about student attitudes or practices related to sex as long as parents/guardians are provided written notice and given an opportunity to request, in writing, that their student not participate. If the district administers a voluntary survey that already includes questions pertaining to sexual orientation and/or gender identity, the Superintendent or designee shall not remove such questions.

Volunteers and Visitors

School visitors and observers should make appointments in advance, with the exception of parents visiting their own student. Parents are encouraged to also notify schools of intended visits. Classes operated at district sites will follow the school site visitation sign-in procedures. Program administrators will notify parents in writing annually of the program visitation policy and procedures. SP 6116

The Butte County Board of Education recognizes that parents/guardians are their student’s first and most influential teachers and that sustained parent involvement in the education of their student contributes greatly to student achievement and a positive school environment. The County Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parent volunteers are always encouraged on campus. Any parent who wants to volunteer on a regular basis must have fingerprints on file with the Butte County Office of Education. Parent volunteers must be approved by their student’s teacher as well as the school administrator.

Field Trips and Transportation of Students

Butte County Office of Education shall provide transportation (as comparable to the transportation offered to non-homeless students) for a homeless student who is enrolled in a Butte County Office of Education school, to and from his/her school of origin if the parent/guardian requests that such transportation be provided. If the student moves outside the county boundaries, but continues to attend his/her school of origin, the County Superintendent or designee shall consult with the Superintendent of the District in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation.

Student Injuries

Reporting Student Accidents

Student accidents should be reported immediately. If a pattern of student accidents or injury is suspected by a Butte County Office of Education staff person, a review of incidents may be conducted to determine the cause of reoccurrence. Immediately following an accident and following any necessary medical attention, the County Superintendent directs that the following steps be taken:

1) Employee immediately reports a student accident or injury to program administrator and risk management.
2) Employee completes a Student Accident Report and forwards to the program administrator on the day of the incident unless there are extenuating circumstances. All pertinent facts and information should be included with the report.
3) Risk management forwards a copy of the report to the County Superintendent or designee for any serious student accident.
4) Program administrator may request an investigation of the incident.

See Accident/Incident Reporting form in Appendix.
Annual School Climate Survey

The School Climate Survey is an anonymous survey used to identify school climate issues within our school. Parents/guardians of high school students under 18 should notify the office in writing, if they choose to opt their student out of the survey.

ENGAGEMENT

Communication, Conferences and Staff Accessibility

Come Back Butte Charter staff meet daily to check-in on school business and student issues. Staff meetings are held weekly to ensure continuous progress toward school and LEA initiatives.

Teachers are available in person on campus five days a week. Each student has weekly scheduled in person meetings with their teacher to check in on course progress. Teachers are also accessible to assist students who choose to come work in the Learning Lab. In addition, tutors are available by appointment through the Butte County Office of Education School Ties program. In addition to in person options, students can contact teachers via email, phone and through the Edgenuity online platform.

Parent-Community Engagement Opportunities

Stakeholder collaboration is encouraged through the following public forums: School Planning Team meetings, Student/Parent/Family Engagement Activities, individual student interviews and the LCAP and PBIS surveys. Personalized engagement occurs at individual weekly independent study meetings. At CBBC, most students are age 18 or over, therefore Family Engagement looks different than it would at traditional schools.

The Come Back Butte Charter School Planning Team meets approximately every two months between September and May and provides input on general school issues, policies and other charter school interests and activities. The CBBC School Planning Team ensures the school program is aligned to the charter elements and the CBBC Local Control Accountability Plan (LCAP) including goals, actions and strategies.

Come Back Butte Charter holds monthly Come Back Connections events on site to promote stakeholder engagement, and provide information and resources for students and families. In addition to students themselves, attendees have included parents, grandparents, guardians and children of students as well as alumni. Every month features various community stakeholders and partners including Butte College, Butte County Office of Education’s CTE department, Alliance for Workforce Development and Rush Personnel.

SCHOOL SITE STAFF

Staff Professional Learning

With the assistance of Title I, Part A parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners (ESSA Section 1116[e][3]).

The school may offer:

- Staff trainings and/or train the trainer model for parent and family engagement
- Annual Title I Meeting and other LEA provided parent and family engagement resources
● New staff and continuing education training
● District parent and family engagement coordinator support
● Information on school website. Please attach the School-Parent Compact to this document.

ATTENDANCE

Pupil Attendance and Absences

Come Back Butte Charter Attendance Policy

Student responsibilities:

Student will . . .

- obtain teacher’s contact information, including email and school phone number
- attend all regularly scheduled appointments
- complete all state and local assessments in a timely manner
- contact teacher at least 3 hours before scheduled appointment, if unable to attend appointment to reschedule
- keep school up-to-date on address and phone numbers
- complete all assignments listed on weekly Learning Plan
- complete 2+ hours of school assignments a day/per subject
- bring all signed paperwork to all appointments

The attendance policy based on Education Code Section 51747 states:

When a pupil fails to complete three (3) consecutive independent study assignments during any period of 15 school days, or misses two (2) appointments without valid reasons, the superintendent or designees shall conduct an evaluation to determine whether the pupil should be allowed to continue in Independent Study.

Remember in order to be successful at Come Back Butte Charter you must log-on to curriculum and/or work in your textbook every school day and attend all scheduled appointments.

Parents/guardians may excuse their student from school for justifiable personal reasons upon written notice and approval by the principal or designated representative. Personal reasons may include attendance at a religious retreat, not to exceed four hours per semester, and the observance of a religious holiday or ceremony. (Ed. Code § 48205.)

Education Code Section 48205 - Excused Absences

a. Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

1. Due to his or her illness.
2. Due to quarantine under the direction of a county or city health officer.
3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
4. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
5. For the purpose of jury duty in the manner provided for by law.
(6) Due to the illness or medical appointment during school hours of a student of whom the pupil is the custodial parent.

(7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil’s absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.

(8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.

(9) For the purpose of spending time with a member of the pupil’s immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.

(10) Participation in religious exercises or to receive moral and religious instruction in accordance with Butte County Office of Education Policy and Administrative Regulations. In such instances, the student shall attend at least the minimum school day. The student shall be excused for this purpose on no more than four days per school month. (Ed Code § 46014.)

(11) For the purpose of attending the pupil’s naturalization ceremony to become a United States citizen.

(b) A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

(c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.

(d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

(e) “Immediate family,” as used in this section, has the same meaning as set forth in Section 45194, except that references therein to “employee” shall be deemed to be references to “pupil.”

Unexcused Absence
Parents/guardians will be notified in a timely manner if their student (17 or under) is absent from school without permission. (Education Code § 51101(a)(4).

Late Arrival and Early Departure Instructions
If a student is late to an appointment their teacher may ask them to either wait until they have free time (if they come in during another student’s appointment time), or to reschedule. On some occasions they may still be allowed to meet with their teacher as they come in late.

Truancy
Upon a pupil’s initial classification as truant, parent/guardian will be notified of the following:

1) That the pupil is truant.
2) That the parent or guardian is obligated to compel the attendance of the pupil at school.
3) That the parent or guardian may be guilty of a criminal infraction if the parent or guardian fails to meet this obligation.
4) That alternative educational programs are available in the district.
5) That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the pupil’s truancy.
6) That the pupil may be subject to arrest and prosecution.
7) That the pupil may be subject to suspension, restriction, or delay of the pupil’s driving privilege.
8) That it may be recommended that you accompany the pupil to school and attend classes with the pupil for one day. (Education Code § 48260.5(a).

APPENDIX: STATE AND FEDERAL REQUIREMENTS

AB2022 Mental Health Services

Mental Health Services Act Pursuant to Education Code Section 49428 as amended by AB-2022 in September, 2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community.

Any pupil and parent or guardian of a pupil may refer a student for mental health services by contacting the school administrative office. A school counselor and/or school psychologist can also provide information about other options to access mental health services within the community.

To access mental health services within the community, please contact the Butte County Department of Behavioral Health or other mental health agency. Please see the school’s website and scroll to the bottom and click on AB2022.

Site Family Engagement Plan

The school is committed to parent and family engagement, with the support of Title I, Part A. While parents and families in the school are diverse in culture, language and needs, they all share a commitment to academic success of their children. Therefore, the school strives to lead our students to success with the full support and involvement of families and the community.

This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements pursuant to ESSA Section 1116(c).

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). ESSA Section 1116[b][1]

To involve parents in the Title I, Part A programs, the following practices have been established:

- The school will
  - convene an annual meeting to inform parents about the Title I Program.
  - hold student/parent involvement/education meetings at varying times.
  - involve parents of participating students in an organized, ongoing, and timely way, in the planning, review, and improvement of its Title I programs and parental involvement policy.
  - educate staff members in the value of parent and family member contributions and how to work with them as equal partners.

Communication and Accessibility:

The school distributes information related to school and parent programs, meetings, and other activities to Title I, Part A parents in a format and language that the parents understand (ESSA Section 1116[e][5]).

If requested by parents of Title I, Part A students, the school provides opportunities that allow the parents to participate in decisions relating to the education of their children (ESSA Section 1116[c][4][C]).

The school provides opportunities for the participation of all Title I, Part A parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand (ESSA Section 1116[f]).

The school provides parents of Title I, Part A students with timely information about Title I, Part A programs (ESSA Section 1116[c](4)[A]).
The school convenes an annual meeting to inform parents about Title I, Part A requirements and about the right of parents to be involved in the Title I, Part A program (ESSA Section 1116[c][1]). Details about the annual meetings:

The school offers a flexible number of meetings for Title I, Part A parents, such as meetings in the morning or evening (ESSA Section 1116[c][2]). Details about the meetings:

Each spring, the School Advisory Committees (SSC/CAC/PAC) will agendize a topic to discuss a flexible meeting schedule with stakeholders for the following year. In addition, the school will:

- make every effort to schedule meetings at a variety of times to allow parents and family members opportunities to attend.
- provide childcare/transportation, as funding allows, so parents may attend the meeting.
- hold the Title I Parent Meeting each fall at a convenient time for parents.
- notify parents in a format, and where practicable, a language they will understand.
- provide timely information in the following ways:
  - school website and social media
  - letters home, including email communication
  - in person meetings and other forms of two-way communication
- accommodate a request for a meeting with any staff member or school administrator working with their student.
- provide the opportunity for public comment at regularly scheduled school advisory meetings.
- provide an annual LCAP Survey and stakeholder meetings.
- consider the various needs of stakeholders when sending communication or providing trainings, including needs resulting from disability, language and mobility barriers.

Engagement of Parents:

The school involves parents in the development of required Parent and Family Engagement Plan when it:

- provides support for parental involvement activities requested by Title I, Part A parents (ESSA Section 1116[e][14]).
- involves parents of Title I, Part A students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school’s Title I, Part A programs and the Title I, Part A parent involvement policy (ESSA Section 1116[c][3]).
- provides parents of Title I, Part A students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet (ESSA Section 1116[c][4][B]).

The school will engage families in the decision making process in the following ways:

- recruit parents for open council positions by providing
o an election process free of potential or perceived barriers that may preclude participation
o training and ongoing support in council membership roles and responsibilities
  • include adequate representation of parents and family members of participating students on advisory councils.
  • elicit feedback from and share out with other advisory councils and stakeholder groups information pertaining to Title I, Part A programs and the Title I, Parent Involvement Policy

The school will provide engagement activities for students and families once a semester.

The school will provide information on curriculum, assessments and student progress in the following ways:
  • in person meetings, including parent-teacher conferences
  • parent education trainings/seminars
  • written communication, including email
  • Aeries Parent/Student Portal
  • parent access to online curriculum

**Building Capacity:**

Per ESSA Section 1116[e][1-4]), the school:

  • **coordinates and integrates** the Title I, Part A parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children
  • provides Title I, Part A parents with **materials and training** to help them work with their children to improve their children's achievement.
  • provides Title I, Part A parents with **assistance in understanding the state’s academic content standards**, assessments, and how to monitor and improve the achievement of their children.
  • engages Title I, Part A parents in **meaningful interactions** with the school. The Compact supports a partnership among staff, parents, and the community to improve student academic achievement.

Meaningful interactions may include:
  • community partnerships
  • two-way communication
  • remote or virtual access to allow parents/stakeholders to participate from any location
  • site transitional specialist support, as needed
  • annual site activities (e.g. workshops aligned to educating parents on academic standards; and potlucks with guest speaker on specific topic)

Assistance may include:
  • opportunities for parents to participate/observe in their student’s weekly meetings and/or workshops
  • materials and trainings to address academic and social-emotional needs
Trainings may include:
- research-based curriculum resources in trainings
  - Includes, academic and/or social-emotional learning
- community partner guest speakers
- community resources (including local Behavioral Health agencies).

**Staff Training:**

With the assistance of Title I, Part A parents, the school **educates staff members in the value of parent contributions**, and in how to work with parents as equal partners (ESSA Section 1116[e][3]).

The school may offer:
- Staff trainings and/or train the trainer model for parent and family engagement
- Annual Title I Meeting and other LEA provided parent and family engagement resources
- New staff and continuing education training
- District parent and family engagement coordinator support
- Information on the school website.

Please attach the School-Parent Compact to this document.

This policy was adopted by the **Come Back Butte Charter** on 3/30/2021 and will be in effect for the period of the 2019-20 school year.

The school will distribute the policy to all parents of students participating in the Title I, Part A program on, or before: **September 9, 2021**.
School Compact

This compact, jointly developed with parents/family members of the students, outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State’s high academic standards.

School Responsibilities

As a school staff, we agree to support students’ learning in the following ways:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State’s student academic achievement standards as follows:
   - Teachers are trained to provide instruction-using curriculum aligned to State Content standards.
   - A Multi-Tiered System of Support (MTSS) is implemented school wide to meet the individual needs of students.
   - Teacher release time occurs for ongoing professional development. Teachers and staff also use this time to identify strategies to address the individual needs of students.
   - Provide a safe and positive school environment that promotes respect, responsibility and leadership.
   - Collect and analyze student assessment data to monitor student progress and informed instruction.

2. Communication:
   - Provide students/parents and family members with reasonable access to staff and frequent reports on school progress. Specifically, the school will:
     - Hold student/parent/family-teacher conferences (at least annually) during which this compact will be discussed as it relates to individual achievement
     - Complete report cards every semester
     - Respond to email and phone messages within a timely manner
     - Make appointments with teacher, when a request is made.

3. Engagement:
   - Provide students/parents and family members with assistance in understanding the state’s academic standards, assessments, and how to monitor and improve the achievement at school.
     1. Provide parents and family members opportunities to observe student appointments and workshops.
     2. Provide parents and family members with materials and training to help them improve the academic achievement of their student
        a. Include, as appropriate, topics identified by parents/family members
        b. Provide trainings and information in a format, and where practicable, a language that parents and family members can understand
     3. Conduct other activities to encourage and support parents and family members in more fully participating at school.

   - Educate staff members in the value of parent and family member contributions and how to work with them as equal partners
1. Use CA Department of Education Family Engagement Framework and research-based training materials
2. Schedule training/coaching with Title I LEA Family Engagement Coordinator

Parent Responsibilities

As parents, we agree to support our students learning in the following ways:
- Monitor work completion
- Participate in decisions related to education
- Communicate with the school by promptly reading notices, reporting student absences, and responding to contacts from school personnel
- Attend parent/teacher conferences
- Follow all school policies (refer to handbook)

Student Responsibilities

As students, we share the responsibility to improve our academic achievement. We agree to:
- Share notices and information received from the school with my family
- Complete and turn in my work on time
- Arrive at meetings and classes prepared, on time and ready to learn
- Communicate about my learning and ask for help when needed
- Contact my teacher, promptly, if I need help or have questions with my assignments
- Stay current on school activities and events
- Agree to and follow technology policy.
